Five New Teachers Hired; Delinquent Tax Rate Costly

Upland School District trustees validated the employment of five new teachers and five classified employees Tuesday night. They also learned that the high tax delinquency rate would cost the district more than $8,000.

Teachers hired for the 1962-63 school year included: Paul R. Davis, Junior High arithmetic; Thomas J. Gabonay, Junior High woodshop; Myra J. Mante, sixth grade, Sierra Vista; James H. Smith, sixth grade, Baldy View; and Lou Ann Velez, second grade, Foothill Knolls.

The teaching staff for the district in the 1962-63 school year will comprise 122 teachers, eight more than the current year.

Classified employees validated by trustees included: John Bradshaw, custodian-gardener, Baldy View; Raymond Wilkins, junior high custodian; Roy Rule, Upland Elementary custodian; Connie Fisher, central office; and Evelyn Bradford, superintendent's office.

Superintendent Harold Cook told trustees that he learned Tuesday the tax delinquency rate in the Upland School District was 4.81 per cent. This high rate cost the current budget $8,059.

According to Cook, the budget is normally based on a three per cent tax delinquency rate. Some of the over-due taxes usually are received at a later date as property owners make the payments plus the interest penalty.

The 1962-63 budget allows for a four per cent delinquency.

Trustees also set the public hearing on the budget for 7:30 p.m., Tuesday, Aug. 7.

In other business, trustees:

- authorized the advertising for bids on three new school projects as a 'package' to take advantage of a possible better contract. The Multi-Purpose room at Baldy View and the shower-dressing room at Pioneer Junior High are presently before the State Allocation Board. The proposed new 15th St. Elementary School will go before the Allocation Board in July.

- **raised the price of meals** in the district to 3 5 cents for students and 55 cents for

Little League Game Halted; Re-Play Set

Re-scheduling of a Foothill Little League baseball game that was called off by four of the league officers June 9 has been set for complete play on Monday, July 2.

The game was between Ideal Homes and Women's Club. It was halted after the first half of the first inning after the Ideal Homes pitcher threw his first warm-up ball as pitcher of the day.

It was decided Tuesday night June 12 by the Board of Directors of FLL that the game would be played in entirety.

The Board also voted to establish an Executive Committee to "attest to the eligibility of injured players. Committee could rule on eligibility without doctor's advice in emergency. Doctor's advice to be obtained as soon as practicable."

Named to this new committee were President Tom Beiseker, Player Agent Gene Marshall, and Team Manager Virgil Barbee.

The Board decided not to issue any statement for the public, players, or parents — merely saying the game was "no contest" and was being replayed July 2.

The Board meeting was "open" to all persons with written notice publicly given and lasted four hours.

In other action, the Board decided to meet July 2 for the All-Star selections, and agreed to abide by the rule that only two adults are allowed in the dugouts, representing each team playing, during a game.

PROPOSED SHOPPING CENTER for the 10-acre site at 7th St. and Mountain Ave., Upland, is shown in this rendering by S. Jack Henderson for Robar Construction Corp. of Upland. The center will include a major market along with several smaller shops and stores. Robert Hebard of Robar Construction told the News that additional leases are available.

The 10 acres was rezoned to C-4 by the Upland City Council at the June 6 meeting against the recommendations of the Planning Commission. Mayor Abner Haldeman, previous owner of the property, excused himself from the voting. Councilmen, Max Hawkins and James Christensen favored a conditional use permit rather than a rezoning. Christensen, however, joined Councilmen William Kistinger and Bob Marriott in granting the C-4 zone and asked that his minority opinion go on record with that of Hawkins.

Letters Seek Information About Gilbert

Letters have been pouring in to the Upland News from all over the country seeking information on the death of evangelist Dr. Dan Gilbert.

Letters, speaking of the "terrible tragedy", the "love triangle" and the "wonderful Christian", have been received from Ohio, Texas, Oregon, Oklahoma, Indiana, Missouri, Kansas, and many parts of California.

Most of the letters reveal that the writers have listened to his radio broadcasts and have received very little information from their local radio stations or newspapers regarding his death.

Gilbert was slain May 31 while in his room at the Uplander Motor Hotel. Bob Marrs, 42, of Pomona, is being held on a first degree murder charge.

Marrs was indicted June 6 by the County Grand Jury on a charge of murder and his hearing has been set for 10 a.m. Friday, June 22, by Superior Judge John P. Knauf.

Marrs is held without bail in county jail.

Euclid Avenue seems destined for complete re-landscaping during the next few years, changing the pattern stemming from the time of the Chaffey Bros. original inception of the broad and famous thorough fare.

Included in the recommended 1962-63 city budget is $9,500 for tree removal and landscaping of Euclid Lawn.

At the last budget session of the City Council on June 7, city fathers passed over this amount without definite approval, planning to review this proposed expenditure at the next session on June 20.

Mayor Abner Haldeman stated that he was in favor of leaving this amount in the budget with the proviso that it could not be spent without Council approval prior to starting work.

The issue of THE NEWS of May 31 reported that the $9,500 was intended for the landscaping and "re-grooming" at the corner of Foothill Blvd. and Euclid Ave., as outlined to the newspaper by the city manager.

At the budget session, however, City Manager Elwin Alder said that the facts had been "distorted" in THE NEWS.

"This $9,500 is for a mile of landscaping, not for just a corner," Alder said.

Plans have been presented to the city for the change in landscaping at Foothill and Euclid. The proposed design includes a small pool with fountains, walks, benches and a sculptured background, all surrounding the Madonna of the Trail statue.

On the south side of the intersection, plans call for landscaping similar to the Euclid Ave. entrance just north of the freeway. The cost of the freeway site improvement has not been made public.

Alder told the council that Euclid Ave. eventually would be re-landscaped the total length.

"I hope we're not going to have those "graves" at every intersection," Councilman Max Hawkins remarked.

"It was the wish of the council according to action six or eight months ago to start on a re-landscaping program for Euclid Ave.," Alder said.

Eventually, over a period of about five years, all the pepper trees will be removed and new trees and various landscape designs installed.

"Trees have not been replaced on Euclid Ave. near 9th St. because of the work on water mains," Alder stated. "There was no use to replace the trees and then dig them up to do the necessary work on the mains. This work has been completed and we can now start to replace the landscaping."

* * *

Also in the recommended budget is $9,350 for interior remodeling of the Police Department.

Mayor Haldeman also suggested that this amount remain in the budget, but not spent without review by the Council.

Remodeling work is to include air conditioning, lowering of the ceiling, rearrangement of partitions, and the separation of the public lobby from the prisoner booking station.

"We have discovered many deficiencies in service with the present arrangement," Alder said, "and want to take steps to correct this as well as better utilization of our available floor area."

The City Manager was asked about the committee appointed several months ago to make a survey on whether to retain the present Civic Center or move to a new location.

"Apparently nothing came of this investigation," Alder stated.

"It's possible," he said, "that the Police and Fire Departments will have a building of their own in the not-too-distant future. If this happens, the present police department can be utilized for some other department and still make use of the improvements contemplated in the remodeling."

The City Council has several sections to review prior to approval of the preliminary budget.

The council then expects to take up various expenses as recommended and make corrections or give final approval.

Uplander Injured In Train Crash

An Upland lad, enroute home from the University of Idaho, was slightly injured in the crash of a 17-car Northern Pacific luxury train in the early dawn Sunday, June 10, near Missoula, Mont.

Glenn Dyer, son of Mr. and Mrs. J. Willard Dyer, 2420 Belleview Rd., suffered a bump on the head in the accident which claimed the life of a child and injured 195 of the 350 passengers.

Dyer, treated at a Missoula hospital and released, called his parents at noon Sunday. A Naval ROTC student at the university, he graduated from Upland High School in 1960.

The engineer of the train was quoted as saying that the train lost air pressure in its brakes as it began a downward run in the mountains. All but two of the cars were derailed and crashed down a 100-foot embankment.

Children's Creative Workshop To Stress Self Expression

A new Creative Workshop for Children has been added to this year's summer recreation program in Upland.

Because a similar program offered last year in Upland, Montclair and Ontario by the Pomona Valley Exceptional Children's Society cannot be repeated this year, a group of area mothers banded together to form a new program. The group is presently in the process of incorporation.

The program, to be held at Upland Memorial Park, is to provide adventures in self expression. According to Chairman of the Board of Directors, Mrs. John Armstrong, Jr., the classes are not designed primarily to develop the tools of skill and technique.

"The goal is rather to stimulate the child to greater awareness of the multiple forms possible for creative self-expression and to excite in him or her an ever-increasing desire and freedom to experiment with these forms."

"This program cannot take the child on a rocket ship to the stars, but it can try to help him find the stars within himself," Mrs. Armstrong said.

The first session will be held on Monday, Wednesday, and Friday from 9 a.m. to noon, June 25-July 6. It will consist of science experiences for children of kindergarten through sixth grade. The instructors will be Darrel McOmber, a Claremont School teacher, and Paul Schiele, of Ontario schools.

Kindergarten age and grades 3-4 will meet from 9-10:30 a.m.; grades 1-2 and 5-6 will meet from 10:30-noon.

The second session will also meet Monday, Wednesday, and Friday from 9 a.m. to noon. Classes will be held in Creative Drama, music, art and integrated art-music.

Teaching Creative Drama for grades 1 through 6 will be Elizabeth Barry Fleck of Upland. Mrs. Fleck has a B.A. degree from the University of California at Santa Barbara with a major in Education and a minor in Speech. She has done graduate study at Stanford, Redlands, and U.S.C. She has taught speech and dramatics at Vina Danks Junior High in Ontario.

Scheduled to teach art is Mrs. Jack Douglas of Upland. She is a graduate of Occidental College with a major in Fine Arts. She has taught kindergarten at Pacific Grove and more recently taught first grade at Foothill Knolls.

Advisors for the group are Mrs. Willard Gaynor of Claremont and Miss Janet Johnson of Upland.

In addition to Mrs. Armstrong, the Board of Directors comprises: Mrs. Charles Miller, Cucamonga; Mrs. A. T. Tweedie, Upland; Mrs. Edward Capparelli, Cucamonga; Mrs. Robert Ring, Upland; Mrs. Wendall Harmon, Upland; Mrs. Monroe Weinberger, Cucamonga; Mrs. Charles Kalbach, Upland; Mrs. Charles Newton, Upland; and Mrs. R. MacDonald, Cucamonga.

Additional information on class periods and tuition fees may be obtained by contacting Mrs. Armstrong, YU 2-8532 or Mrs. Miller, YU 7-3260.

AN UPLAND CREATIVE Workshop for Children has recently been organized by a group of mothers to enable children to explore new possibilities of self expression. Left to right, above, getting set for the first session on June 25 are: Mrs. Charles Miller, 8352 Via Ladera, Cucamonga, a member of the Board of Directors; Brian Miller, Mrs. Elizabeth Barry Fleck, an instructor; Betsy Armstrong and Andy Armstrong.

Sessions will be held in Upland Memorial Park Recreation building, the first from June 25 to July 6 and the second session from July 9 to July 27.

The president thanked Mrs. Donald De Vore, Chairman of the Flagon work and Don Helm, instructor of the Boys Club in Cucamonga for their efforts this past year.

Summer the League is sending 8 boys to summer camp and has increased the budget to allow for several one day trips during the school year. This club was founded by the League at the same time as the Girls Club.

Mrs. Fairchild also acknowledged Mrs. Wayne Cameron's assistance with another project - The Boys Club of Upland. The League helped from this group a few years ago and has continued giving money yearly to help defray the cost of a director.

In her report she further stated that this year it became obvious that the League needed a larger center, and also a building for the Girls Club. So the Chapter House was sold and it is now the League's plan to buy land and build. The additional funds from this past year will be used for the building, and the expansion of the Dental Clinic and Girls Club.

She also told the group that blueprints are nearly completed for a proposed move to new quarters in San Antonio Community Hospital within two years.

As Girls' Club Chairman, Mrs. Ted Vath made her report. She said that 63 girls from 3 schools have participated in the programs which teach cooking and sewing. The clubhouse, in Cucamonga is open Tuesdays through Fridays with an instructor and 2 League members assisting each day.

A color scheme of orange and yellow was carried out in the table decor. Assistance League Patronesses received tiny white cymbidiums as they arrived.

In charge of the luncheon was Mrs. Wallifie and assisting her were Mmes. Hutchinson, Haug, Ferguson, Lucas, Chalfant and Jack Brewer.

Pack 10 Holds Family Picnic

By Shirley Ortman

The Upland Cubs had their annual end of season family picnic Sunday. There was no end to the many games planned and played, the main attraction of course being the "Pinewood Derby".

There were a lot of good looking racers. There is no question, the boys and their dads put in a lot of time and effort on this project.

We were quite lucky in as much as not a single car had to be disqualified for overweight, there were a number of cars that just came in under the maximum weight allowed of 5 oz. I'd call that pretty close.

The Pinewood Derby winners were a little difficult to decide on, the races were so close, but the final decisions went to; Allen Thoma, 1st place - Ricci Newlan, 2nd place - Sir Gay Matusewicz, 3rd place.

Every child came out a winner at one thing or another. There were loads of prizes and they were well distributed. Just to name a few of the games played, there was the sack race, wheelborrow race, two legged race, balloon race, shoe scramble and last but far from least, a version of the needle in the hay stack, pennies and suckers were hid in the loose straw and believe me, that straw was really flying.

Our thanks to all the fathers that helped supervise the events of the day, it would have been a real job without their assistance.

I know I speak for all the mothers and fathers of the Cubs in saying thanks and expressing our most sincere appreciation for the interest and hard work put forth by all our Den Mothers and Cub Master Everet Collins in the past year.

Come on boys and folks, how about a great big round of applause!

Community Swim Meet Scheduled

Preparations are underway for the fifth annual Kiwanis Community Swim Meet for the Chaffey High School District.

This event is to be held the evenings of Tuesday, July 31 and Thursday, August 2 at the Upland High School.

Sponsored by the Upland Kiwanis Club, the swim meet features races of from 25 to 100 yards in the backstroke, breast stroke, butterfly and free style swimming. Also added for the first time this year, according to John Nicholson, chairman, are the novice events for the "10 years and under" age group and for the "11 to 14 year" age group.

Entry in these special events will be limited to swimmers who have not previously won first, second or third place in any organized swim meet or in a dual meet between swim clubs.

Special events will also be held in free style and backstroke for swimmers of 6 years and younger.

Last year's meet saw 134 boys and girls competing in 40 events. Medals were awarded for first, second and third place in each event, with ribbons going to other participants.

Gaining in popularity each year, it is expected that many swimmers will compete this year who have not previously competed.

Any boy or girl who has not reached his or her 15th birthday as of July 31, 1962, and who lives within the areas served by the Upland, Chaffey and Montclair High Schools is eligible to compete in this swim meet.

Registration forms will be available at the Upland, Chaffey and Montclair High School pools and at various swim clubs in this area after July 1.

Little League -

(Continued from Page 1)

statement early Wednesday, June 13:

Because of the public nature of calling off a ball game and the resulting confusion and rumors, it is imperative that any discussion be limited to the broad and specific issues surrounding the matter.

The game was called off by four officers of the league, acting in concert, until the medical eligibility of a player and its attending liability from an insurance standpoint, including possible negligence on the part of the entire league, could be determined by the FLL Board of Directors at an official meeting.

Officers making the decision included President Beiseker, Vice President, Hodell, Insurance Agent Manley Cole, and Treasurer Bob Pene.

On Wednesday, June 6, in a crucial game between two league-leading teams, a pitcher was sent into a tie game, with the bases loaded and two outs. The pitcher had the thumb of his pitching hand taped because of a fracture."

He walked four ball players, striking out the fifth to end the inning and game.

Nothing was done to halt his pitching at this time in this game.

By Saturday, the four officers determined that questions of medical eligibility and insurance were such that the boy should not pitch until an official Board meeting would clear all the issues at hand.

The team manager, however, believing he had complied with all Little league rules and regulations, including a written notice from a doctor that the boy might "play baseball", and a waiver of responsibility of the parents of the pitcher, and further that the president had no authority over the manager to say who could play or pitch, determined the boy should pitch.

The four officers thus halted the game after the first warm-up pitch.

The Board took no action other than outlined at the beginning of this story.
